

# 2022 Arizona Construction Workforce Management Summit

**Building resilience: Managing a successful construction workforce for today...and tomorrow**

**Monday, October 3rd | Arizona Grand Resort & Spa, Phoenix**

Arcoro, the leading HR solution built for construction, in partnership with the Arizona Builders Alliance, is pleased to present the inaugural Arizona Construction Workforce Management Summit!

Join us for this free event to learn about key facets of building resilience and managing a successful construction workforce, including:

- Best practices for recruiting and retaining talent in challenging times
- How to build efficiencies and save money by leveraging and integrating the right technology
- The importance of having a plan to manage change and a strong culture to solve inevitable challenges

Ideal attendees work in HR, Finance, or Field Operations for construction companies with 75 or more employees

**Learn more and register at [arcoro.com/summit](https://arcoro.com/summit).**
